

HARTLEY'S

STORE WILL BE OPEN EVERY NIGHT UNTIL CHRISTMAS

HARTLEY'S

Broad Radiant Smiles Everywhere

And happy preparations are well under way in hundreds of homes in and around Fairmont.

The Christmas Dinner in humble homes is more important and even more thought of because less frequent than the big dinner in stately mansions.

Everywhere and for almost everybody there will be some kind of a little gift.

THE COST OF THE THING IS NOT THE REAL THING.

In past Christmases the forgotten one has been heartbroken over disappointment.

Even a 25-cent gift or a postal card might have saved the sob or sorrow of a lonely man, woman or child.

This store stands out before you, between you and your friends, with great supplies of all sorts of little and inexpensive things for the making of happy Christmas time in every home.

We have printed here, for your convenience, some very suggestive gift things. It would be a wise plan if you bring this paper with you when shopping.

City News BRIEFS

ICE RUNS OUT OF RIVER.

The rise in the river and the warm weather has caused the ice to break and it is flowing out. Last night there was a considerable gorge but this went out this morning about daylight. Since that time there has been a steady moving of the congealed water. The river is higher now than it has been for a year.
Since the rise in the river the water has been less conducive to roding boats and the railroad company and the Monongahela Valley Traction Company have been experiencing little trouble from erosions in their machinery. With the streams flushed as they are now and the polluted water having been carried away there is little danger of any further power trouble.

December, Bad Month.

So far December has been a severe winter month. Most of the days have been rainy. The last thirteen days

were rainy days. A deep snow followed and then there was a rapid decline of the mercury and the coldest weather experienced in Fairmont for some time followed. With a rise in the temperature rain followed. There has been little sunshine during the month so far. When Sol had a chance to shed his effulgent rays the mercury was hovering around zero.

Remains Interred.

The remains of Mike Greist whose death occurred Saturday at the Miner's hospital were interred today. The man's death resulted from injuries received in the Jamison mine at Farmington several days ago. He had since been a patient at the Miner's hospital.

The body of a man having an identification card on which was inscribed: "John Connor, of Fairmont, R. F. D. No. 6" was found dead on the railroad tracks two miles west of Richmond Sunday evening. A leg and an arm had been severed from his body. The remains were taken to the McCutcheon and Beech morgue at Richmond.

No Police Court.

Everything was reported quiet in police circles today. There was no police court.

Miss Katherine Brennen, has resigned her position with the Consolidation Coal Company and accepted a position in the dental offices of Dr. Clyde H. Neill, in the Jacobs building.
